Bradford's Enhanced Access Service

If you need to see a GP or a healthcare professional in the evening or at weekends, Bradford Care Alliance's Enhanced Access Service can help.

The Enhanced Access Service is a convenient way to see a doctor or another healthcare professional at a time to suit your busy lifestyle.

Convenient Service

- Accessible locations in your area
- You can access a GP appointment, blood tests, blood pressure, cervical screening, mental health support, physiotherapy and more.

Making an appointment

- To make an appointment, contact your GP practice
- Appointments available:
Monday - Friday: 6.30pm - 9.30pm
Saturday: 9am - 5pm
Sunday: 10am - 1pm
